

In the museum, can you find...

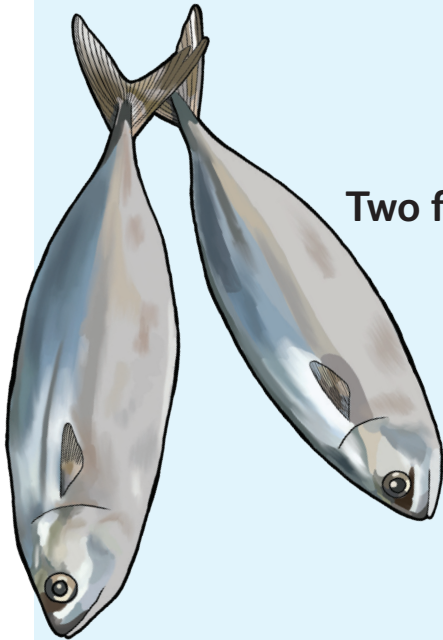

One dog?

1

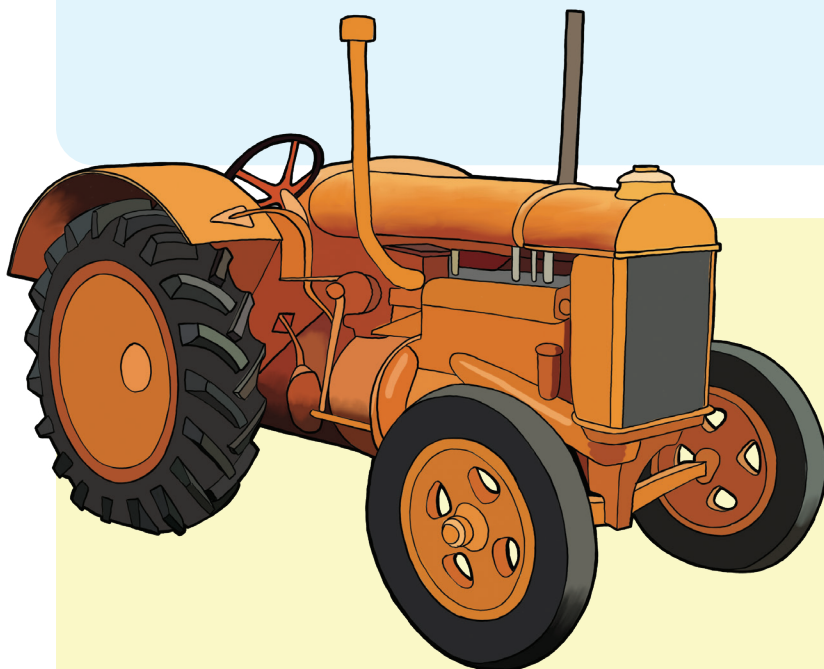

Two fish?

2

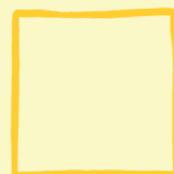

Three cows?

3

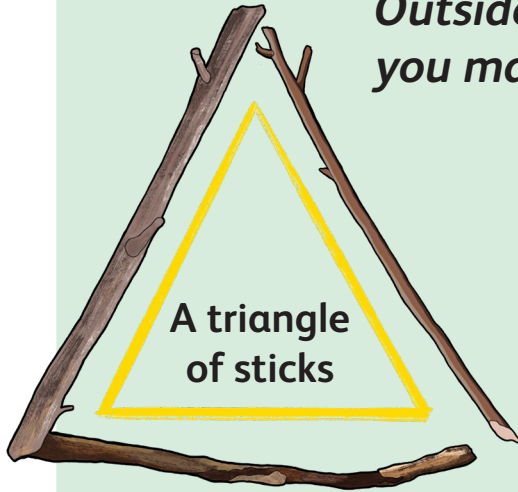

*Can you spot the different
colours of tractors?*

How many colours can you see?

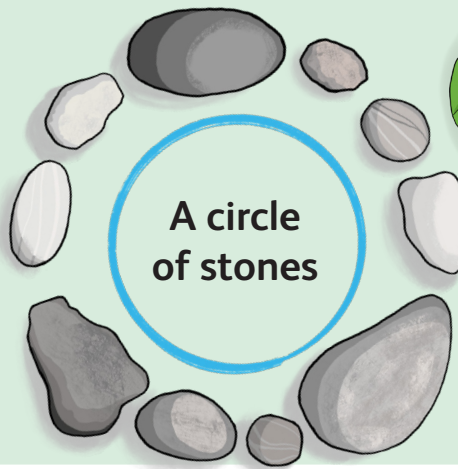

colours

Outside the museum, can you make some shapes?

A triangle
of sticks

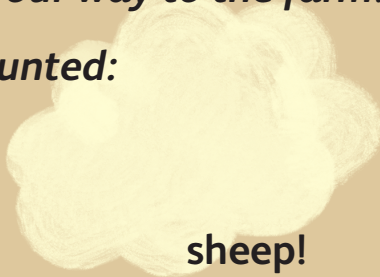

A circle
of stones

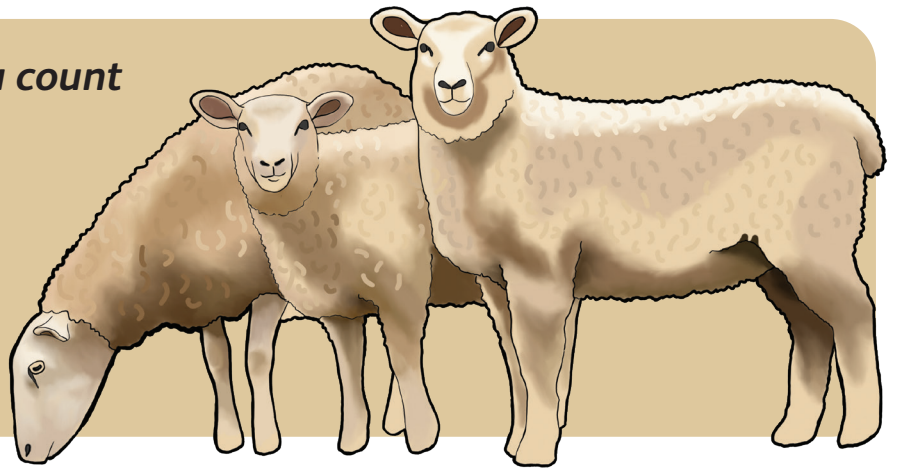

A square
of leaves

How many sheep can you count on your way to the farm?

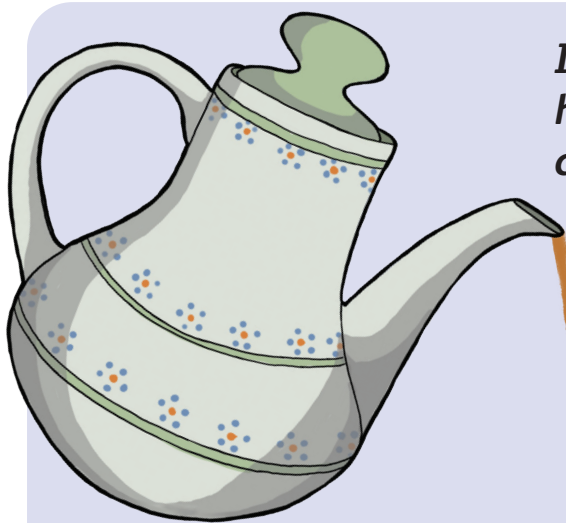

I counted:

sheep!

In the farmhouse, how many teapots can you find?

Which is the
biggest?

I found:

teapots!

And
which
is the
smallest?
