

Pop Bottle Rocket

You will need

- Pens or pencils to decorate
- Tape
- An empty plastic drinks bottle

- 1 Decorate your rocket from the nose the tail.
- 2 Roll to form a tube and overlap to the dotted line.

- 3 Seal the tube with tape.
- 4 Fold in the top of the tube and use tape to seal the nose cone.
- 5 Place on the open bottle.
- 6 Launch by striking both sides of the bottle.
